Dear Zip-n-Dip Staff,

Your role as providers of unforgettable experiences to Kaua'i visitors is an honorable one. The safe, exciting environment created by your staff is a source of joy and lifelong memories for both tourists and kama'aina.

Josh and Melissa Monroe of San Diego were deeply impressed and moved by your consummate service. They spent their wedding anniversary on Kaua'i, and their special occasion was touched by your warmth and welcome. The couple wished to especially thank your team members, Rhonda and Preston. Your consistent and sincere work is what preserves the reputation of our state as a place of unmatched hospitality.

Thank you for sharing the aloha spirit and best wishes for continued success.

Mahalo,

Office of Governor Linda Lingle
